\*\* NP – No placing; Judging was stopped for reasons that will be given to the producer or it was an accepted late entry by the judge. The judge has the right to decline late entries. The fleece may go through the sale but will not earn any awards.

\*\* NJ: Not Judged: the judge has made this decision based on viewing the fleece and disqualifying (DQ) it for reasons based on LMSPA Fleece Sale rules. A DQ fleece will be returned to the owner and will not go through the auction at the Wool 'n Ewe A-Fair.

All fleece are judged by Sheep BREED standards. NOT by fibre artists standards. However, the judge does try to record any benefits it will have to a fibre artist. ALL fleece have a purpose!

\*\*\*#34 Primitive – Shetland will be sheared and judged at the sale and will be auctioned off. \*\*\*
