To whom it may concern,

We are contacting you on behalf of The Lower Mainland Sheep Producers Association (LMSPA) membership to request your sponsorship of our annual fundraiser the “Wool 'n Ewe A-Fair” fleece show and sale.

Over the past forty-plus years our members have continued to achieve and maintain the highest standards in quality and productivity of sheep and wool products. Our organizational goals and purpose are to support and educate our members and the wider community in the uses, sustainability, environmental friendliness, and high quality of wool products and to encourage them to join in the rewarding experiences to be had in raising excellent sheep and lambs.

This year's event, scheduled for the weekend of July 29th and 30th, 2023, will take place in conjunction with the Maple Ridge Fair, held at Albion Fairgrounds, 23448 Jim Robson Way, Maple Ridge, in the Curling Rink building. During the days (from 10am to 5pm), we will be offering a variety of activities, such as:

- Spinning, Weaving, Felting and Fleece Judging demonstrations; and
- a Fleece Auction for spinners, weavers, and other wool craftspeople.

Visitors to the show will be able to shop among a wide selection of products from our vendors' booths and to acquire further knowledge and awareness around sheep breeds, the processes it takes to create clothing, housewares, and accessories from woollens and pelts, and to learn about the wide variety of today's sheep produced foods.

We work closely with other associations and businesses like weavers and spinners guilds, wool processors, and feed companies, and a number will be joining us at the event.

We celebrate the valuable financial support that our Association continues to receive from businesses like yours and we are honoured to acknowledge that we cannot do all of this without you. Your sponsorship is what allows us to continue supporting our membership and educating the public year after year.

Below are our **Sponsorship Levels** divided into categories named Gold, Silver, Bronze, and Community. We will be deeply grateful should you choose one for your business to support.
